Central offices and related facilities									

Standard Notes: - Represents zero (D) Withheld to avoid disclosing figures for individual companies (NA) Not available (X) Not applicable
 In computing these ratios contract employment serving the establishment is excluded. The cost of contract work in 1963 amounted to 147 percent of payroll for the Crude Petroleum and Natural Gas Industry, to 142 percent for the Crude Petroleum Subindustry, and to 182 percent for the Natural Gas Subindustry.
